

Ginetta in 2007

As you will have heard Martin Phaff was taken ill over the Christmas period. Due to this forced absence I would like to reassure customers and competitors by outlining the team at Ginetta and who to contact going forward.

Ginetta continues in the short term to operate from its Sheffield office and workshop:

Ginetta Cars LTD
Cornish Works
Old Station Drive
Sheffield
S7 2PY

As you will have read and no doubt heard we will be moving to our new building in Garforth in the coming months - the date of this move and a new address will be announced soon.

Ginetta return from a successful Autosport show - our best ever and are looking forward to what will be an epic season's racing and production. We have spent the last few months raising the profile of the race championships and indeed the Ginetta marque and will continue to do so.
