

## Ginetta Championship Entries

The 2007 regulations have now been updated and approved by BARC for the 2007 Texaco Havoline Ginetta Championship and the 2007 PlayStation GT Junior Championship. You can download them now from [here](#)

Or copy and paste the following link into your browser:

Within each regulations pack, there are the appropriate forms to register your entry to BARC along with payment information.

You can also download the **Ginetta Cars Entry Options Form**. This allows you to inform Ginetta Cars of the Championship rounds you wish to enter. Four payment options to Ginetta Cars Ltd are given to you - ensuring the Championship remains accessible for all.

Due to increased demand for both Championships this year, Ginetta recommend forms and payment are delivered early to secure your slot on the grid. There is a priority scheme in place - details are within the Ginetta Cars Entry Options Form.

For every Texaco Havoline Ginetta Championship entrant who registers with BARC and Ginetta Cars Ltd by April 1st, they will receive a free product supply pack from the title sponsor Texaco Havoline Performance Plus. This will consist of:

- 5 litres of Texaco Havoline Energy engine oil
- 5 litres of engine coolant
- 5 litres of racing gearbox oil (suitable for new Quaife update)

For G20 owners, there is a comprehensive 2007 price list in the same downloads area:

This list has been updated to reflect market changes and will come into force on April 1st 2007.

GT4 owners should 'watch this space'. A price list appropriate to you will be available very soon.
